

NICHOLSON GROUP

Welcome to the team

Your induction film. Watch it all the way through before you start your knowledge check.

We develop, own, let and look after homes.

Nicholson Group has been a landlord in St Helens and Liverpool since 2008. We rescue difficult buildings, many of them listed or in town centres, and turn them into premium furnished apartments.

We build to hold, not to sell.

Acquire
We buy the building

→

Transform
We design and build it ourselves

→

Operate
We let it and look after it

→

Hold
We keep it for the long term

The homes you work on today will still be ours, and still carry our name, in twenty years.
